### Fund Overview

The Fund is a closed-end investment trust designed to provide unitholders with exposure to the six largest Canadian banks and four largest Canadian life insurance companies and utilizes Strathbridge's proprietary SSO covered call writing strategy to enhance the income generated by the portfolio and to reduce volatility.

### Objectives

The fund's investment objectives are:

- to provide Unitholders of the Fund with a stable stream of quarterly cash distributions in an amount targeted to be 7.5 percent per annum on the NAV of the Fund; and
- to return \$15.60 per unit to Unitholders upon termination of the Fund.

### Rationale

These securities represent the top ten financial service companies in Canada and provide diversified exposure to the sector. The Fund is appropriate for those investors looking for exposure to Canada's financial services sector while earning attractive distributions.
